

## Benefits You Can Bank On

DID YOU KNOW THAT YOU CAN MEET 80% OF YOUR EMPLOYEES' HEALTHCARE NEEDS FOR AS LITTLE AS \$19 PER WEEK?

**Retain, attract, and reward** your employees by offering them an affordable benefit plan. You can provide exclusive access to affordable, configurable benefits solutions for the physical wellbeing of your staff and their dependents- no matter the size of your company.

### VAULT DIRECT

This Product has been created to provide an affordable alternative to typical major medical health plans. The need for healthcare is always there. Your ability to afford it, is not. VAULT Direct is designed to provide preventative care, Virtual DPC, chronic disease management and discounts on drugs and medical supplies for everyone ages 2 to 65

## VAULT DIRECT

### MONTHLY SUBSCRIPTION FEES

Employee only	\$79.00
Employee + spouse	\$119.00

## PHARMACY BENEFITS:

Our Basic Health Package offers a revolutionary new pharmacy program focused on helping members, with a mission to provide the lowest-priced prescriptions in the industry. We also have pharmacy coaches to help educate patients and offer options for saving even more money with home delivery of prescriptions.

### • Over-the-Counter Medications

Our subscription offers the most common over-the-counter medications, such as ibuprofen, acetaminophen, fexofenadine, diphenhydramine and others, at a fraction of the retail price. The little things add up, so we aim to save you money on everyday medications.

### • Maintenance Medications

Maintenance medications are prescribed for chronic, long-term conditions (e.g., high blood pressure, high cholesterol, and diabetes) and regular, recurring use. These drugs are considered first-line therapy options, and have been found both safe and effective in treatment of these conditions. The SaveOn Diabetes program provides a FREE meter, low-cost testing strips, lancets and more.

### • Acute Medications

In cases of immediate need, we include the top 95 most-prescribed acute medications for a \$5 payment, for up to a 21-day supply at more than 64,000 pharmacies nationwide.
