

Versatex Recommended

**FORMS COMPLETE,
STRONG JOINTS
IN 60 SECONDS**

Titebond has earned a recommendation from Versatex for their PVC Trim Joint Adhesive designed specifically for PVC miter, scarf and shiplap joints.

- Single component and ready to use
- Forms complete, workable joints in 60 seconds
- High strength, permanent bond
- VOC-compliant and 100% waterproof
- High viscosity that will not run or drip
